

Grand Cayman

April 14 - 21, 2012

Join us for a return trip to the Cayman Sister Islands. We've led 2 trips to Grand Cayman, 3 trips to Cayman Brac and a trip to Little Cayman last year. Once again we will venture to Grand Cayman to enjoy the warm, crystal clear waters of the Cayman Islands. We'll be staying in the updated Oceanview rooms at Sunset House which is less than a mile from Georgetown. Spectacular nightly sunsets give this resort its name. It is also a winner with their Unlimited shore diving included in our package. Step off the dock for diving during the afternoon and some great night dives. We have booked 20 spots at the resort and airfares so get your deposit in early! Visit the resort website at www.sunsethouse.com to take a look at the dive sites, photo gallery and all the resort has to offer. We're also working on an add on trip to Stingray City!!
