Saba

January 19 - 26, 2019

The island of Saba rises majestically from her clear azure waters, stretching her summit to caress the clouds... She is like no other Caribbean destination. Untouched by the quickening pace of the modern world, an island caught within a moment... and the moment within which she's captured you ask? The old Caribbean: safe, friendly and charming with exquisite natural beauty both above and below her waterline.

Diving is conducted under the auspices of the Saba Marine Park, a model park recognized for its success in protecting the marine environment. Topside Saba is protected by the Saba Conservation

Foundation with only a small percentage of the island 'developed' for residential and commercial needs.

We will dive with SeaSaba, a five star Trip Advisor Certificate of Excellence dive operator.

Join Diver's World on this unique adventure to an unspoiled gem in the Caribbean.
