

# Bonaire

## Dutch Caribbean

### November 2024

Bonaire is known as "Diver's Paradise" for the huge variety of marine life as well as the nearly 100 dive sites situated around the island. The reef around Bonaire has been designated as a [marine park](#) since 1979 and you will find no better diving value in the Caribbean.

Our package price includes double occupancy in a garden view two-bedroom bungalow at [Captain Don's Habitat](#). Each unit includes bedrooms with private baths, air conditioning and a large covered patio area. With daily breakfast included, you can grab something quick before our morning dives. Each unit has a fully equipped kitchen

so you can plan your own meals (there are several nice grocery stores nearby), eat at Rum Runners restaurant or dine out at any one of the great restaurants on the island.

Bonaire is renown for diving freedom. We have scheduled 12 boat dives and unlimited shore diving; all with Nitrox included! Take a quick dive right off the resort or explore the island with your rental car and try some of the diverse marked dive sights including the Hilma Hooker wreck easily accessible from shore.
