We are headed to beautiful Roatan again for a romantic getaway to Turquoise Bay.

Located on Roatan's Northeast shore Turquoise Bay is the only dive resort in this lush and remote area of the island providing you with the opportunity to dive uncrowded, pristine dive sites. The resort is set on a hillside with spectacular ocean views and a protected bay which makes the water calm and perfect for swimming and kayaking. Beach lovers will enjoy the private, tranquil, 500 ft white-sand beach.

At Turquoise Bay Dive & Beach Resort you will enjoy the very individual and personal service that only a small dive resort can offer. Their friendly local staff takes pride in getting to know their guests and making them feel at home.

Roatan Reef offers a wide variety of world class diving locations to explore. From calm protected reefs to colorful walls, wrecks, and swim throughs, divers of every level will find something exciting. Our package includes three dives daily and a night dive.

Grab your loved one and join us on this Valentines Day retreat to paradise. Call Diver's World today to secure your spots.
